FREQUENTLY ASKED TRAINING QUESTIONS

I am about to qualify for my Intermediate Officer Certificate, should I call TCOLE?

YES, contact TCOLE at 512-936-7700. **Effective September 1, 2011**, TCOLE is required to collect fees for all peace officers, jailer, and telecommunicator proficiency certificates. As proficiency certificate levels are met, TCLEDDS will continue to automatically **award and display** this achievement on the personal status report (PSR) but will no longer mail the certificates to appointing agencies. **Individuals who desire a hard copy of their certificate must electronically submit an application and pay a \$35 fee per certificate.** Licensees can purchase hard copy certificates to be mailed, by credit card or bank draft, through their online training account.

How do I obtain a transcript of my continuing education?

You can obtain a transcript of your TCOLE training record by contacting any Lieutenant, the Training Academy, or contact TCOLE at 512-936-7700.

How do I determine what courses I need to take to advance my Jailer or Peace Officer License?

You can determine the courses necessary by accessing the proficiency certificate mandates for the applicable level at <http://www.tcole.texas.gov/content/proficiency-certificates>. Comparing your training record through MyTCOLE to the mandates will determine which courses are still necessary to advance. You can also contact TCOLE at 512-936-7700 for assistance. Should there be a discrepancy regarding training received through TCSO, please contact the Registrar or Director of Training at 512-854-4194.

What other training resources are available?

Approved training academies and training providers are listed on the TCOLE web site at www.tcole.texas.gov in the Training Providers link.

What firearms does TCSO authorize for carry?

A comprehensive list is available at the Training Academy range and a list of approved Weapons, Ammunition and Holsters is on the Everyone drive, in the Training folder. Newer weapon models are reviewed annually by the Weapons Committee, the Training Director/Lieutenant and Administration.

If I attended training at another agency, attended a seminar, or completed an on-line course, is it possible for me to receive TCOLE credit?

Possibly, if the training is applicable to your current job assignment. You will need to provide a copy of the course outline, the instructors' credentials, a certificate of completion stating the number of hours completed, an email with a brief statement on how the training pertains to your job, and a course evaluation to the Training Director/Lieutenant for review **within ten (10) days of completion**. If approved, course credit will be submitted to TCOLE.

I received firearms, expandable baton, revolver, semi-auto, or OC spray training at another accredited academy. Will TCSO accept it?

Yes, however, the officer must first submit proof of satisfactory completion, demonstrate proficiency if applicable and/or satisfactorily pass an oral or written exam. This process is coordinated through the Training Director/Lieutenant in conjunction with the Range Master or a Defensive Tactics Instructor.

Have any classes been added to the requirements for advancing my Peace Officer license?

Yes, January 1, 2016, TCOLE added three (3) courses required to go from Basic to Intermediate **and** Intermediate to Advance *if* the Intermediate certificate was issued before January 1, 2016: Canine Encounters, Interacting with Drivers Deaf & Hard of Hearing, and Child Safety Check Alert List.

How long is the TCOLE Training Cycle?

Forty-eight (48) months. The *cycle* is comprised of two 24-month training *units*. To maintain their license, Peace Officers must attend 40 hours of training and attend Legislative Updates during each 24-month training *unit*. Corrections Officers must attend Cultural Diversity during the training *cycle*. The current *unit* runs September 1, 2025 – August 31, 2027. The current *cycle* runs September 1, 2025 – August 31, 2029.

Does Cultural Awareness taken in COBRA or BPOC count toward the TCOLE 48-month training requirement?

Yes, however, it only counts toward the 48-month training cycle during which the course is taken.

What classes are included in the TCOLE training mandates for this unit and cycle?

Training Mandates can also be found at <http://www.tcole.texas.gov/content/training-requirements>

For Peace Officers, the following are required:

- 2025 to 2027 training unit – 40 hours of training to include:
- Legislative Update course #3189
- 16 hours of ALERRT training*
- 2025 to 2029 training cycle:
 - Those holding a Basic Peace Officer certificate, or no certificate, will be required to have **Cultural Diversity, Special Investigative Topics, De-Escalation Techniques, and Crisis Intervention** training.
 - Those holding an Intermediate certificate or higher do not have specific courses (except the State and Federal Law Update Course)
 - Special Note: Individuals first licensed after January 1, 2013, must complete the basic Human Trafficking course within the first year of licensure

For Corrections Officers holding any level certificate, the following are required:

- 2025 to 2029 training cycle – Cultural Diversity
- Peace Officers with an Intermediate certificate or higher who also hold a Jailer’s license are exempt from the Cultural Diversity mandate.

Can I get TCOLE credit for college courses I’ve taken?

YES! Email our TCOLE liaison at TCOLE@traviscountytexas.gov for specific directions on how to submit your college transcripts. Each college hour is worth 20 TCOLE training hours. Once you have achieved a degree and the hours have been awarded by TCOLE, your proficiency requirements for hours & years of service are now based on education & years of service. This can make a significant difference, especially for less-tenured staff.

Are there specific classes or courses for civilian employees?

A 1-day Civilian In-Service will be held in 2026 and offered four times through the year. See Page --- for more details.

What is Combat Fitness?

Combat Fitness is a Crossfit-style workout, similar to Fight Gone Bad. Combat Fitness is 3 rounds, 5 exercises per round at 1 minute per exercise, with a 1-minute rest between each round. Total test time is 17 minutes. Combat Fitness must be completed in the following order:

Wall Ball – 20lb ball for males; 14lb ball for females. Top of the ball must crest the bottom of a 10-foot line.

Each rep in the first four events and each calorie in the last counts as 1 point. 100% = 300 points

At least one rep or calorie must be completed in each event, each round, for a valid test.

Combat Fitness tests must be administered by a TCSO Fitness Specialist.

What are the incentives for the PRT Program?

Research has proven that it can significantly reduce stress; boost your working memory; have less emotional reactivity; have more cognitive flexibility; improve your counseling skills; and even increase satisfaction of your relationships.

Mindfulness also enhances self-insight, morality, intuition and fear modulation. Evidence also shows that mindfulness has numerous health benefits, including increased immune functioning, improvement to well-being, and reduction in psychological distress. In addition, practicing mindfulness appears to increase information processing speed, as well as decreasing task effort and having less thoughts that are unrelated to the task at hand. All in all, practicing mindfulness can increase the quality of life and career of law enforcement and corrections personnel.
