WHAT ARE PUBLIC SAFETY CADETS?

The TCSO Public Safety Cadets program is dedicated to preparing young adults, ages 14-20 (until 21st birthday), for careers and leadership in the public safety profession.

Our mentoring program builds character, physical fitness and respect for the rule of law. You will develop a greater understanding about the criminal justice field and the role of the Sheriff’s Office.

THINKING ABOUT A FUTURE IN LAW ENFORCEMENT?

Meetings involve instructional and hands-on training, in the form of role-playing scenarios to include felony traffic stops, hostage negotiation, building clearance, crime scene investigation, obstacle course and many more engaging topics. Our cadets compete in competitions as well as a variety of agency and community events.
