MESSAGE FROM SHERIFF HERNANDEZ

From my office to yours... Our Mission is clear: Our success is determined by our ability to protect and serve the community. We owe it to the citizens of Travis County to provide the best possible service. At the Travis County Sheriff’s Office, we consistently work to improve and enhance our efforts. Our organization is dedicated to serving the public, meeting their needs, and providing the highest quality of service to our residents.

January Newsletter

In the past year, our agency has taken on a new focus on diversity and inclusion. We have made significant progress in this area, and we are committed to continuing our efforts.

Join the Department of Public Safety Community Outreach Unit on Saturday, February 12th, from 10am to 2pm at the Austin Police Department, 1000 Congress Avenue, Austin, TX 78701, for a free community event featuring food, music, and other activities.

Volunteer Appreciation Event

On January 24th, TCSO had the pleasure of hosting the 94th anniversary of the Martin Luther King Jr. Holiday. The event was held at the University of Texas at Austin campus to the historic MLK Center and MLK Library. It was a beautiful day, with a lot of people in attendance. We had a blast together.

AUTO THEFT TASK FORCE

On January 19th, 2016, TCSO deputies responded to reports of a vehicle theft in the city of Austin. The vehicle had been stolen from a nearby convenience store. The vehicle was later discovered and recovered in the city of Round Rock. The investigation is ongoing.

SPREADING JOY TO SENIORS

On January 16th, TCSO deputies responded to reports of a vehicle theft in the city of Austin. The vehicle had been stolen from a nearby convenience store. The investigation is ongoing.

KITCHEN INSPECTION

Our SWAT Team makes it a priority to stay fit and ready for duty. Their weekly workout regimen is no joke, but can be difficult to manage. Without the assistance of volunteers, demands such as on-call shifts, case follow-up, training, and outreach would be difficult to manage.
