MESSAGE FROM SHERIFF HERNANDEZ

Dear Parents and Community:

Through our continued partnership with the Travis County Sheriff's Office (TCSO), we are pleased to announce another update from our Cadet Program. Cadets are our new, dedicated, and enthusiastic team members who are committed to providing a safer environment for our community.

We would like to introduce Senior Deputy Joey Segovia and Sergeant Andy Viruette, who were commended by Pflugerville Police Chief Jessica Robledo for their significant contributions to the Cadet Program. Their efforts demonstrate the importance of community engagement and the positive impact of the Cadet Program on our community.

On February 11th, U.S. Senator John Cornyn announced that he and other lawmakers would introduce a bill to establish a national holiday for the 6th of October as Law Enforcement Officers Memorial Day. This is a significant step towards acknowledging the sacrifices and contributions of law enforcement officers who protect our communities.

On February 12th, the TRAVIS COUNTY Sheriffs Office (TCSO) hosted a forum with residents to discuss the themes of the National Black History Month and the TRAVIS COUNTY Black History Month 2022 theme, “Celebrating Black Excellence.” The forum featured various performances, including dance, singing, spoken word, and original drum calls. Sheriff Hernandez sat down with Cadet Carley Broussard to discuss the significance of the forum and the impact it had on the community.

We are proud of our partnership with the TCSO and look forward to continuing to support the Cadet Program and our community in the future.

Sincerely,

Sheriff Hernandez"
