FREQUENTLY ASKED TRAINING QUESTIONS

I am about to qualify for my Intermediate Officer Certificate, should I call TCOLE?
YES, contact TCOLE at 512-936-7700. Effective September 1, 2011, TCOLE is required to collect fees for all peace officer, jailer, and telecommunicator proficiency certificates. As proficiency certificate levels are met, TCLEDDS will continue to automatically award and display this achievement on the personal status report (PSR) but will no longer mail the certificates to appointing agencies. Individuals who desire a hard copy of their certificate must electronically submit an application and pay a $35 fee per certificate. Licensees can purchase hard copy certificates to be mailed, by credit card or bank draft, through their online training account.

How do I obtain a transcript of my continuing education?
You can obtain a transcript of your TCOLE training record by contacting any Lieutenant, the Training Academy, or contact TCOLE at 512-936-7700.

How do I determine what courses I need to take to advance my Jailer or Peace Officer License?
You can determine the courses necessary by accessing the proficiency certificate mandates for the applicable level at http://www.tcole.texas.gov/content/proficiency-certificates. Comparing your training record through MyTCOLE to the mandates will determine which courses are still necessary to advance. You can also contact
TCOLE at 512-936-7700 for assistance. Should there be a discrepancy regarding training received through TCSO, please contact the Registrar or Training Lieutenant at 512-854-4194.

What other training resources are available?
Approved training academies and training providers are listed on the TCOLE web site at www.tcole.texas.gov in the Training Providers link.

What firearms does TCSO authorize for carry?
A comprehensive list is available at the Training Academy range and a list of approved Weapons, Ammunition and Holsters is on the Everyone drive, in the Training folder. Newer weapon models are reviewed annually by the Weapons Committee, the Training Director/Lieutenant and Administration.

If I attended training at another agency, attended a seminar, or completed an on-line course, is it possible for me to receive TCOLE credit?
Possibly, if the training is applicable to your current job assignment. You will need to provide a copy of the course outline, the instructors’ credentials, a certificate of completion stating the number of hours completed, and a course evaluation to the Training Director/Lieutenant for review within ten (10) days of completion. If approved, course credit will be submitted to TCOLE.

I received firearms, expandable baton, revolver, semi-auto, or OC spray training at another accredited academy. Will TCSO accept it?
Yes, however, the officer must first submit proof of satisfactory completion, demonstrate proficiency if applicable and/or satisfactorily pass an oral or written exam. This process is coordinated through the Training Director/Lieutenant in conjunction with the Range Master or a Defensive Tactics Instructor.

Have any classes been added to the requirements for advancing my Peace Officer license?
Yes, January 1, 2016 TCOLE added three (3) courses required to go from Basic to Intermediate and Intermediate to Advanced if the Intermediate certificate was issued before January 1, 2016: Canine Encounters, Interacting with Drivers Deaf & Hard of Hearing, and Child Safety Check Alert List.

How long is the TCOLE Training Cycle?
Forty-eight (48) months. The cycle is comprised of two 24-month training units. To maintain their license, Peace Officers must attend 40 hours of training and attend Legislative Updates during each 24-month training unit. Corrections Officers must attend Cultural Diversity during the training cycle. The current unit runs September 1, 2019 – August 31, 2021. The current cycle runs September 1, 2017 – August 31, 2021.

Does Cultural Awareness taken in COBRA or BPOC count toward the TCOLE 48-month training requirement?
Yes, however, it only counts toward the 48-month training cycle during which the course is taken.

What classes are included in the TCOLE training mandates for this unit and cycle?
Training Mandates can also be found at http://www.tcole.texas.gov/content/training-requirements
For Peace Officers, the following are required:

- 2019 to 2021 training unit – Course 3186 State & Federal Law Update Course and 40 hours of training
- 2017 to 2021 training cycle:
  - Those holding a Basic Peace Officer certificate, or no certificate, will be required to have Cultural Diversity, Special Investigative Topics, and Crisis Intervention training.
Those holding an Intermediate certificate or higher do not have specific courses (except the State and Federal Law Update Course)

Special Note: Individuals first licensed after January 1, 2013 must complete the basic Human Trafficking course within the first year of licensure

For Corrections Officers holding any level certificate, the following are required:

- 2017 to 2021 training cycle – Cultural Diversity
- Peace Officers with an Intermediate certificate or higher who also hold a Jailer’s license are exempt from the Cultural Diversity mandate.

Can I get TCOLE credit for college courses I’ve taken?
YES! Email our TCOLE liaison at TCOLE@traviscountytx.gov for specific directions on how to submit your college transcripts. Each college hour is worth 20 TCOLE training hours. Once you have achieved a degree and the hours have been awarded by TCOLE, your proficiency requirements for hours & years of service are now based on education & years of service. This can make a significant difference, especially for less-tenured staff.

Are there specific classes or courses for civilian employees?
A 1-day Civilian In-Service will be held in 2020 and offered four times through the year. See Page --- for more details.

When do I need to complete my PRT tests?
Sworn staff will test twice per year on the test of their choosing: Combat Fitness or Row. Staff will complete a test during the first three months of each testing cycle. Testing cycles are: January – June and July – December. Staff who do not reach the 50% threshold on their first test will be scheduled by their supervisor to test within 30 days of the initial test. Employees will receive up to three (3) attempts to meet the 50% threshold before being documented as having failed the cycle. Employees who fail two (2) consecutive cycles will be placed on a Fitness Improvement Plan (FIP) overseen by a TCSO Fitness Specialist. Employees on a FIP will attend, on duty-time, 4 hours of fitness and wellness training each month. Employees may only be removed from a FIP by achieving 50% or higher on the PRT test of their choosing, administered by a TCSO Fitness Specialist. Note: Employees on a FIP are exempt from testing every 30 days, as they will be tested at regular intervals as part of the FIP Program.

What is Combat Fitness?
Combat Fitness is a Crossfit-style workout, similar to Fight Gone Bad. Combat Fitness is 3 rounds, 5 exercises per round at 1 minute per exercise, with a 1 minute rest between each round. Total test time is 17 minutes. Combat Fitness must be completed in the following order:

Wall Ball – 20lb ball for males; 14lb ball for females. Top of the ball must crest the bottom of a 10-foot line;
Kettlebell Sumo Deadlift High Pull – 75lb kettlebell for males; 55lb kettlebell for females;
Step Ups – may jump or step up on the platform, but must step down;
Push Press – 75lb for males; 55lb for females.
Row – on flywheel/damper 10

Each rep in the first four events and each calorie in the last counts as 1 point. 100% = 300 points

At least one rep or calorie must be completed in each event, each round, for a valid test.

Combat Fitness tests must be administered by a TCSO Fitness Specialist.
What are the incentives for the PRT Program?
Staff completing either test with a 75% or better are eligible for a Fitness Pin.

Staff completing the Combat Fitness test at 300 – 349 reps will receive a "300 Club” shirt; 350 – 399 reps will receive a "350 Club” shirt; and 400+ reps will receive a “400 Club” shirt.

Staff completing both tests at 90% in better in the same year will receive a “Fitness Star” shirt and be eligible for a Fitness Star Pin (awarded at the annual Awards Banquet).

Staff completing the 2000 meter Row, Combat Fitness, and Standard PRT (Modified Cooper's) within a scheduled 2-hour period will receive a “Gladiator” shirt. The Gladiator Challenge must be administered by a TCSO Fitness Specialist.

Is remedial training available through the Academy?
Yes. Upon written request from a Bureau Captain or higher, the Training Academy will provide one-on-one instruction in some topics. This remedial training is a mastery tool for the less than proficient employee. When something goes wrong, do you tend to bounce back or fall apart? How do people deal with difficult events that change their lives? The death of a loved one, loss of a job, serious illness, terrorist attacks and other traumatic events: these are all examples of very challenging life experiences. Many people react to such circumstances with a flood of strong emotions and a sense of uncertainty. Yet people generally adapt well over time to life-changing situations and stressful conditions. What enables them to do so? It involves resilience, an ongoing process that requires time and effort and engages people in taking a number of steps. Resilience won't make your problems go away — but resilience can give you the ability to see past them, find enjoyment in life and better handle stress. If you aren't as resilient as you'd like to be, you can develop skills to become more resilient. This course will explore 2 of the 4 domains of resilience, Emotional and Mental, and provide you with knowledge and techniques to greatly enhance your wellbeing.
