Sheriff’s Office Called To Windy Point Park On Diving Incident

On Saturday, October 13, 2007, at about 12:30 pm, 911 was called, and Austin/Travis County EMS and Travis County Sheriff’s Office responded to, the Windy Point Park, at 6506 Bob Wentz Park Road, in reference to a Diver in distress in the water.

Upon arrival the diver had been pulled from the water and CPR was in progress. The man, described as a white male in his mid 50’s, was transported to Brackenridge Hospital by StarFlight. He was pronounced deceased at the hospital.

Initial reports said that the man was diving with 3 other people and found in about 86 feet of water, not breathing, by divers already in the water.

Sheriff’s Detectives are interviewing witnesses in an attempt to find out what happened and to assist the Medical Examiner’s Office with identifying the man.

The Medical Examiner’s Office will conduct their examination to determine the cause of death and positively identify the man. Then the next of kin can be identified and notified.

Note: This is the third fatality in Lake Travis, in Travis County, in 2007.
