Sheriff’s Office Has Child ID Kits Available

The Sheriff’s Association of Texas joined efforts with the American Football Coaches Association, the FBI’s National Child Identification Program, Texas Association of School Administrators (TSTA) and the office of Governor Rick Perry to provide ID Kits to all Texas Children in grades K-6.

As part of that program the SAT has provided a limited number of ID Kits to the Travis County Sheriff’s Office for local distribution to children who do not attend public schools.

Each kit contains an inkless fingerprinting card, DNA swab and preservation envelope, and a wallet card. All information should be completed by the parent or guardian and stored at home. In the event of an emergency, the ID kit can be handed over to authorities to help identify a missing child.

The Sheriff’s Office will be distributing the kits locally through at various Community Outreach events throughout the next few months or you may obtain a kit by contacting Deputy Curtis Orton, at 854-3248, to have one mailed to you while supplies last.

For additional Information, please contact Tami Becton, AFCA/FBI National Child ID Program, 800-729-4471-cell, tami@childidprogram.com.
