Body Found at the Bottom of Cliff in Northwestern Travis County

On October 17, 2008 at approximately 6:15 p.m., Travis County Sheriff’s Deputies responded to the 18300 Block of Medina Vista Lane on a report of a deceased person at the bottom of a cliff. Treacherous conditions and low visibility made it difficult to immediately extricate the deceased person. Emergency personnel from the Jonestown Fire Department extricated the deceased person at approximately 10:00 p.m. on October 17, 2008. The deceased person was transported to the Travis County Medical Examiner’s Office where an autopsy was conducted on the morning of October 18, 2008. The deceased person has been identified as:

Victoria Lynn Davis (white female / Date of Birth: September 12, 1958).

The exact cause of death is still under investigation by the Travis County Sheriff’s Office and the Travis County Medical Examiners Office. Foul play is not suspected. Victoria Lynn Davis had been reported as missing to the Jonestown Police Department on October 10, 2008. Medina Vista Lane is in Northwestern Travis County.
