Sheriff’s Office Will Have Extra Deputies On The Road For Holiday Period

The Sheriff’s Office has received a grant from TX DOT to put Deputies on the road in a Selective Traffic Enforcement Program (STEP) aimed at getting speeding, and impaired, drivers off the road.

The grant will allow the Travis County Sheriff’s Office to put additional deputies on the road that will be looking for impaired drivers and speeding violators during the Christmas/New Years Holiday period that starts on December 21, 2008 and will last until January 1, 2009. As part of the program the grant will pay overtime to deputies working various shifts over the 12 days.

Alcohol and speed are preventable causes of accidents. That is why the Sheriff’s Office is putting extra Deputies on the road to increase our presence on the roadways and aggressively seek out Speeding and DWI Offenders.

The penalties for the first DWI Offense are;

- Up to $2000 Fine.
- 72 hours to Six Months in Jail.
- Loss of Drivers License for up to a Year.
- $1,000.00 Annual fee for three consecutive years to retain Drivers License.

Not to mention the time lost from work and lawyers fees.

Don’t be a statistic! Remember; “buzzed driving” is drunk driving. So plan ahead or plan to get arrested. Take the advice of those who know. If you drink, don't drive. Have a designated driver, get a ride, spend the night where you are or take a cab, just don't drive.
