Sheriff Greg Hamilton Hosts Gospel Explosion In East Austin

Travis County Sheriff Greg Hamilton invites you to attend a "Building Bridges: Gospel Explosion" designed to bring law enforcement and faith-based community leaders together to work toward improving police-community relations in Travis County. The Building Bridges: Gospel Explosion will be held Thursday, February 28, 2008 at 6:30 p.m. at Mt. Zion Baptist Church (2938 E. 13th Street, Austin, Texas 78702).

In February 2006 the Travis County Sheriff’s Office and the National Crime Prevention Council hosted a conference titled, “Building Bridges: Brick by Brick” at the Mt. Zion Baptist Church, 2938 East 13th Street, Austin.

The purpose of the conference was to bring community leaders together to identify problems in our community, come up with solutions to those problems as a group and make Austin a better place to live. The kick off for the conference was a “Gospel Jubilee” that brought choirs from across the community together to help set the mood for the conference.

Building Bridges has been going strong for two years and it is now time to reenergize the community with a “Gospel Explosion” that will bring law enforcement and the faith based community leaders together to work toward improving community relations in Travis County.
