Sheriff's Office Will Have Extra Deputies On The Road For Holiday Period - Results

The Sheriff's Office received a grant from TX DOT to put Deputies on the road in a Selective Traffic Enforcement Program (STEP) aimed at getting speeding, and impaired, drivers off the road.

The grant allowed the Sheriff's Office to put additional deputies on the road that looked for impaired drivers and speeding violators during the Christmas/New Year Holiday period that occurred between December 21, 2008 and January 1, 2009. As part of the program the grant paid overtime to deputies working various shifts over the 12 days. During that time Deputies drove approximately 780 miles in 55 hours of overtime.
