Austin Children’s Shelter Construction Event

On Saturday, March 14, 2009, between 9am and 10am, Sheriff Greg Hamilton and Chief Deputy Jim Sylvester will be on hand to help with the installation of the wiring for an alarm, access and CCTV systems for the Austin Children’s Shelter New Campus, 4800 Manor Road. (It’s located on the East side of the Mueller development project. Take Airport to Manor Rd. and head East.)

The Pre-wire Field Day is sponsored by the Central Texas Chapter of the Texas Burglar and Fire Alarm Association. The event is scheduled to last from 9am until the project is completed. We will have a sign in sheet at the site so we can track volunteers. So far eight alarm companies from Austin to Waco have volunteered to send workers and their might be more. This will be the first workday with others to follow as the project progresses with the final workday planned for the first quarter of next year.

Volunteers will be treated to Bar-B-Que and beverages. For more information contact Jim Burkey (512) 680-6514 or Jeff Bright at (512) 845-1460.

The contact for the Travis County Sheriff’s Office will be Chief Deputy Jim Sylvester, pager 935-1108.
