Sheriff’s Office Investigates Double Shooting

On August 31, 2011, at 5:13am, Sheriff’s Dispatch received a call stating that there had been a shooting at 2011A Margalene Way. Upon arrival Sheriff’s Deputies found two people deceased.

The victim, who was identified as,

Sylvia Richardson, Date of Birth 8-17-1974,
lived at the residence.

The suspect, who was also found deceased, was identified as,

Kevin Williams, Date of Birth 10-14-1965.

It is believed that Ms Richardson had recently broken off the relationship with Mr. Williams and it appears that he came to the residence, shot her and then turned the gun on himself.

There were four family members in the residence at the time of the incident. None of them were physically injured.

The Travis County Medical Examiner’s Office has completed their preliminary exam of Ms Richardson and detectives believe that she died of her gunshot wound. The examination of Mr. Williams will occur tomorrow.
